March 2018

Dear Friends, Family, and Patrons,

It is with great anticipation and enthusiasm that we will be hosting the inaugural **Jacob Mark Blackwell Memorial Golf Tournament on Friday June 1, 2018 at Fauquier Springs Country Club in Warrenton, VA.** Ever since we posted the 'Save the Date', we have been overwhelmed by the amount of support, encouragement, and guidance from so many of you. To that end, we say "Thank you!" as we look ahead to this fun and exciting fundraiser being a rousing success.

We have established this memorial tournament and the fund in Jacob's memory, aligned and in concert with the Northern Piedmont Community Foundation, a 501(C)(3) non-profit. **Jacob's life reflected his unwavering concern and caring for others, and he was truly in his element when he was shouldering the weight of being everyone's best friend. In good times and bad he was always listening, always honest, and forever supportive to countless 'best friends'. Now, through the fund and the work to follow, we have chosen to pick up on Jacob's mission where he left off....doing what best friends do, with the energy and legacy of Jacob's steadfast loyalty and infinite compassion.**

This tournament is just one of many planned efforts in building a sustainable fund that will have a lasting value and is supported by devoted individuals. Proceeds from the fund and this tournament will support mental health advocacy programs and programs targeting the prevention of at-risk lifestyles in adolescents.

We hope you choose to support the cause, the fund, and the tournament!!!
